Together since 2001, the Shannon Thue Trio began while all three members were attending the Jazz Studies program at Capilano College, North Vancouver, BC. In 2003, they were featured on a live CBC/Radio Canada program called "Rendez-Vous," and in 2004 they were recorded for broadcast at CBC Studio One in Vancouver. The trio has played in the Vancouver International Jazz Festival yearly since 2004 and played weekly at Vancouver's "Libra Room" from July 2006 to July 2007.

"Overall, the Shannon Thue trio is a model of interplay and true interdependence. There's no question that everyone is listening to each other intently for the common musical "good"! They are able to shift seamlessly from jazz waltzes, ballads, New Orleans "street beat" feel to hard-driving swing. Truly a versatile trio!"
